

Tips for Getting Your Family Dressed for a Photo Shoot

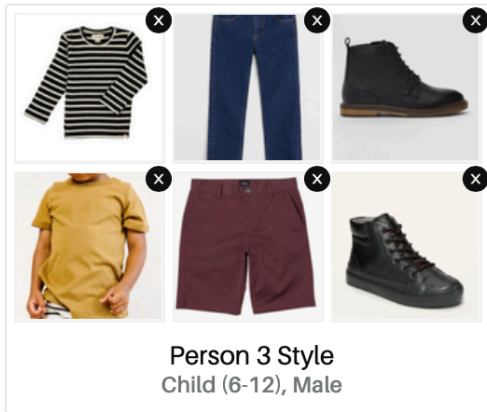

Hey, I get it! Getting your family or your High School Senior dressed for a shoot can be difficult. However, I create a super easy way for you to get it all done from the comfort of your couch!

When you book with me, you get the advantage of using my special **Style and Select** service to style your family OR your Senior from your couch. No hunting through stores dragging your kids, or your spouse for that matter, just click, click, click from your computer and Viola! Done.

You may purchase any or all or none – just use for ideas – from the service. I get no kickbacks, just trying to help my people!

I have also created these 4 idea boards for a family of four with a 6 -12 year-old son and a toddler daughter in mind. When you get dressed, get creative, and most of all, have fun with it!

Moms, let's **START** with you! What to wear:

- Neutral, coordinating colors. Do not match!
- Patterns like plaids, stripes, and florals. You can even mix-and-match them, and don't be afraid to layer them with solid colors and denims.
- Fitted **clothes**. Tailored **outfits** will always look better than loose-fitting clothing.
- If you would like to go loose, a dress with a fitted top and flowy bottom is always a winner.
- Closed-toe shoes or barefoot for a beach shoot.
- Sleeves, if you're uncomfortable with your arms, go long. Short sleeves are always a winner.
- Layers, layers, layers. They add depth.

Once you have figured out what you will wear, then dress your family around you.

And I haven't forgot about you Seniors! Be sure to bring at least one change of clothes to add depth to your gallery. If you'd like, bring something special like a Letterman's Jacket, tennis racket, or whatever helps tell your story is always a winner!
