- Proofs will be sent to you in about 2 weeks after your shoot in an online gallery.
- NO DOGS ALLOWED** on campus.

- Appropriate dress and pose are subject to administrative review. If either are deemed inappropriate according to OLP guidelines, a retake will be scheduled, and you will be responsible for an additional sitting fee per OLP.**

Helpful tips BEFORE your sitting:

- No self-tanners** – you will appear orange in the photos, and most of the time it's splotchy. Your beautiful, natural skin tone will look best.
- PLEASE AVOID SUNBURNS** – most often this CANNOT be corrected in post-production.
- Please have clean nails on both hands and feet.** Both hands and feet will be seen in the photos.
- If you're having a facial or having your brows shaped, please do so at least a week BEFORE your sitting. This allows time for any blemishes to disappear.
- Please bring your own hairbrush and touch-up makeup.
