

Hello Class of 2026!
The Academy of Our Lady of Peace
It is my honor to be creating your Senior Portraits!

Please head over to <https://www.schedulicity.com/scheduling/RSPY69> and schedule your appointment. Please note that I will be taking your yearbook photo AND CANDIDS in order to provide you with a well-rounded gallery.

- Photo dates:
 - June 5,6, and June 9,10 from 1030a-230p
 - July 8,9,10 from 1030a-130p

Important Information About Your Senior Sitting

- The sitting fee for one person is \$55. A **\$35 No Show Fee** will apply if you miss your appointment without notice.
- If you need to cancel, kindly give at least 2 days' notice so another student may take your time slot.
- Please bring exact change or a check made payable to "Robyn Scherer". Venmo and Zelle payment options will also be available via QR code at your session.
- The sitting fee covers your yearbook photo and the preparation of your proof gallery. Please note: no digital images are included in the sitting fee.
- Once you've selected your yearbook pose, I'll hand edit that image and submit it directly to the yearbook for your convenience.
- Proofs will be delivered via online gallery approximately two weeks after your session.
- 🐾 No dogs allowed on campus, please.

Dress code guidelines:

- Dresses must be modest — not too low-cut or tight
- Hemline should be no more than 4 inches above the knee
- No strapless, spaghetti straps, or off-the-shoulder styles
- Please note: All attire and poses are subject to review by OLP administration. If either is deemed inappropriate, a retake will be required and an additional sitting fee will apply.

Helpful Prep Tips Before Your Session

- Skip the self-tanner — it often photographs orange or uneven. Your natural skin tone will always photograph best!
- Please avoid sunburns — they're nearly impossible to fix in editing and can affect your comfort and confidence.
- No temporary henna tattoos — they can be distracting in portraits and are difficult to edit out.
- Clean nails matter! Both hands and feet are often visible in photos, so be sure your nails are neat and polish (if any) is fresh.
- If you're planning to get a facial or shape your brows, schedule those at least a week in advance so your skin has time to settle.
- Bring your own hairbrush and touch-up makeup for any last-minute fixes.
