The In-Flight Collection – \$445, 7 digital images

A well-rounded mix of portraits and details.

The Captain's Choice Collection – \$475, 9 digital images

A full storytelling set capturing personality and confidence.

The All-in Collection – \$515, 12 digital images

All of your absolute favorites!

Additional Images:

- Additional digital image: \$65 each, additional images come in both social media and print-ready files.

For those interested in printed portraits: Professional prints and print packages are available to order directly through your final gallery. These are printed through a professional lab to ensure color accuracy and archival quality.

Editing & Retouching: The previews in your gallery are lightly polished for viewing. All purchased images receive full editing and final retouching before delivery.

How to Order: View your proofing gallery → make your favorite list → choose your collection → email me to finalize.

Your sitting fee covers your time with the photographer and the image submitted to the school. Digital image collections are purchased separately.

No images are included in your sitting fee.
