Your choice. A well-rounded mix of portraits and details.

The Captain's Choice Collection – \$475, 9 digital images

Your choice. A full storytelling set capturing personality and confidence.

The All-in Collection – \$515, 12 digital images

Your choice. All of your absolute favorites!

Additional Images:

- Additional digital image: \$65 each, additional images come in both social media and print-ready files.

Please allow 2-3 weeks for processing.

For those interested in printed portraits: Professional prints and print packages are available to order directly through your final gallery. These are printed through a professional lab to ensure color accuracy and archival quality.

Editing & Retouching: The previews in your gallery are lightly polished for viewing. All purchased images receive full editing and final retouching before delivery.

How to Order: View your proofing gallery → select your yearbook pose (see gallery email for instructions) → choose your collection → text me to finalize.

Your sitting fee covers your time with the photographer and the image submitted to the school. Digital image collections are purchased separately.

No images are included in your sitting fee.
